It's easier to leaseplan

Get **CarSmart**, Optimum Vehicle Management Tailored to Your Business Needs

Do your fleet obligations eat up valuable business time? Sick of wrestling with vehicle invoices, statements and the general drudgery of fleet administration?

Make the smart move to CarSmart, LeasePlan's innovative fleet management program designed for businesses with one to 20 vehicles.

CarSmart – Time, Convenience and Control

CarSmart lets you track vehicle expenses via detailed monthly statements, get discounted fuel, competitively-priced quality maintenance and servicing, and tap the unrivalled purchasing power of Australia's leading fleet manager, LeasePlan. CarSmart gives you back time, convenience and control.

CarSmart – The Smart Facts

- All fleet-related costs are managed through LeasePlan's convenient invoicing system. No more confusion from different supplier's bills all due at different times.
- A fully itemised bill enables you to account for every vehicle expense (including servicing, fuel and tyres) at a glance. Claiming your input tax credits from the ATO couldn't be easier.

- No more negotiations over service and maintenance. All vehicle work is pre-approved and monitored by CarSmart experts to ensure you always get top quality service at minimal cost.
- LeasePlan's impressive purchasing power gives you access to competitive discounting on fuel prices Australia-wide.
- The total assurance and support of Australia's leading fleet manager, LeasePlan, which has more than 70,000 vehicles under lease and management. Make some of them yours with CarSmart!

Simple, convenient and smart. That's CarSmart, the smarter way to run and track your business fleet.
